What is the best
way to do it?

The best of the
world. The secret
to come up with
a good culture
is not hard to
find. Some may
argue that it is
to use common
sense. But I think
it's actually SH
of your culture.

The only
way to
win is to
be the best
at what you
do.

The most
successful
people
are the
best at
what they
do.
