BUST'S BEST BETS
By Emily Rems

1 Lizzo's "Batches & Cookies" video (featuring Sophia Eris)

If anyone deserves the kind of insta-fame that only a runaway YouTube hit can provide, it's Lizzo and co., for this infectious jam off her new album *LIZZOBANGERS*. Here at *BUST* HQ, we can't stop hitting "replay."

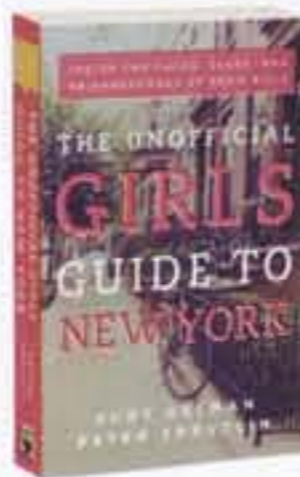

3 Bettie Page Reveals All, directed by Mark Mori

In interviews conducted throughout the last 10 years of her life (before her death in 2008), '50s pinup queen Bettie Page provides the narration for this first-ever authorized documentary of her tumultuous career. Opens November 29.

2 The Unofficial GIRLS Guide to New York, by Judy Gelman and Peter Zheutlin

Intrepid travelers inspired by the hipster haunts in Lena Dunham's awesome HBO show will want to pre-game for season three with this guidebook to all the cafes, clubs, and neighborhoods she made famous.

4 The Hunger Games: Catching Fire soundtrack

We all know that the epic struggle of Katniss Everdeen is gonna be huge at the box office this season. But the surprising news is that the new *Hunger Games* soundtrack is shaping up to be equally badass, featuring diverse tracks from Sia, Christina Aguilera, Lorde, Ellie Goulding, Patti Smith, Santigold, and more.

6 The Battle of amFAR, directed by Rob Epstein and Jeffrey Friedman

In this riveting HBO documentary, premiering December 2, viewers are taken back to the dawn of the AIDS crisis, when two powerful women—Dr. Mathilde Krim and Hollywood icon Elizabeth Taylor—joined forces to create America's first research foundation to fight the deadly disease.

5 Tig Notaro's Professor Blastoff Podcast

Universally beloved comedian Tig Notaro tackles all sorts of scientific subjects with her two co-hosts on this brain-teasing weekly show. You'll have a giggle fit while you listen to their goofy takes on everything from the meaning of dreams, to religious science, to Punky Brewster.

7 A Mary Christmas, by Mary J. Blige

It's hard to believe R&B/soul diva Mary J. Blige has never released a collection of holiday songs before. Now she's making up for lost time with a deluxe edition "ZinePak" that includes not only her brand new Christmas music, but also a 64-page magazine full of interviews, family photos, recipes, and custom gift-tag stickers to make the season even more Mary.

8 Shoot the Arrow: A Portrait of The World Famous *BOB*, by Amy Touchette

Photographer Amy Touchette spent four years heavily documenting neo-burlesque superstar The World Famous *BOB* for this stunning art book published by Un-Gyve Press. It also features a harrowing and ultimately heroic biography of the performer, in her own words.

9 The Garden, by the Shondes

If you only buy one album this year that combines elements of riot grrrl, klezmer, and power pop, make it this one. The band's name may be the Yiddish word for "shame," but the Shondes are surely holding their heads high after this release.

10 Tank Girl, directed by Rachel Talalay, on Blu-ray

Based on a British comic with a massive cult following, this girl-powered sci-fi romp from 1995 is finally getting the Blu-ray treatment. Bonus features include audio commentary, interviews with director Rachel Talalay and star Lori Petty, a featurette, and more.
