

In which decade was this drag queen photographed? Find out in the Art Fund museum of the year quiz

In the final instalment of our five quizzes, the V&A Storehouse in London set 15 fiendish questions to test your knowledge of their collection

1. In which decade did artist Mariette Pathy Allen capture this photograph, Sunday Morning During a Drag Ball, in New York?

1920s

1950s

✓ 1980s

Correct. Mariette Pathy Allen took this photograph in New York in 1984. The photograph centres Angie Xtravaganza (1964-1993), a well-known performer and activist in New York City's LGBTQ+ ballroom culture. Mariette Pathy Allen has been photographing trans communities for around half a century and is considered one of the most significant allies in centring positive awareness around gender diversity in her work. Her work is included in the LGBTQ+ new collecting display at V&A East Storehouse, highlighting a series of recently acquired works representing a broad spectrum of identities.
